Dear Parents/Carers,

The Education Welfare Officer has been in school to audit attendance. There are some concerns about the levels of attendance in the Nursery class this year. Whilst illness is unavoidable some children have had a considerable number of absences and missed significant periods of learning.

At St.Paul's our aim is to promote good attendance and although attendance is not statutory for Nursery children, on accepting a Nursery place you are entering into an agreement that your child will attend as many sessions as possible. If children are to be successful at school good attendance is essential.

If you have any concerns regarding your child's attendance or would like to discuss this matter further, please contact me on the school number.

Kind regards,

Deborah Edwards
Children and Families Officer
