Although it seems quite a long time ago now, the Christmas Fair was a huge success! We raised a grand total of £710.04! Well done to everyone! (Sorry for the delay in announcing the total, but Parents still had receipts to settle.) The amount raised will go in the newsletter on Friday 31/01/14.

Amanda and Kirsty are very keen to plan another fundraising event. There was a discussion about an event at Easter. An Easter Fair was suggested, as was a plan to hold a small event for Easter and a bigger event for the summer. That needs to be decided very quickly.

Amanda has suggested that next time we hold an event we put leaflets through the doors in the local area. This may bring more people in.

We also need to discuss any plans we have for the money we are raising and we need a full meeting of the Parents Council to decide this as everyone will have a point of view on what they would like to buy. A decision was made though that it should benefit ALL children.

The next meeting will be Friday 31/01/14, St Paul's School, 9.30a.m. All welcome.
