10 July 2020

To all the parents and carers of pupils at St Paul's Primary School:

Dear Parents/Carers,

On behalf of the school governors, I would like to thank you all for the support you have given to the school at this difficult time. Can I first thank those of you whose children have continued coming to school for ensuring that they have attended regularly, which cannot always have been easy. Then a very big thankyou and much appreciation for all that you have done to those of you who have been home-schooling your children over the past few months. It can't have been easy, especially if you have more than one school-age child or have been working from home at the same time. You have done a fantastic job with short notice and little preparation.

We are grateful to the staff of St Paul's who have worked so hard to provide the children with work and support during this difficult time. It wouldn't have worked without your input.

We wish you and the children a good summer break when you can recharge your batteries ready for the new challenges the next school year will bring. We look forward to everyone being back at school in September

Once again, a very big THANKYOU!

With best wishes from us all,

Anthea Darlington
Chair of Governors
