"St. Paul's School promotes Christian values in a caring environment where every individual is encouraged to reach their full academic and personal potential"

We aim to ensure that children enjoy their time in school and feel happy, safe and valued. That children reach their potential in all areas of the curriculum and acquire appropriate and useful skills and knowledge which will prepare them to become independent learners. That work is well planned and provides realistic challenges and targets for future progress. That children grow throughout school to become responsible citizens who respect others and are becoming ready to take their place in future society. 4. Planning

At St Paul's we follow the requirement of the national curriculum 2014, in all subjects. This is a content based curriculum, where the expectation is that the children acquire factual knowledge and understanding as well as skills, especially in history, geography and science. Lessons will be planned well to ensure good short-, medium- and long-term progress.

Please see our curriculum statements and our curriculum overviews for each subject for more details on planning.

See our EYFS policy for more details on our school's teaching and learning in the early years.

5. Learning environment

When pupils are at school, learning will take place in classrooms, outdoor spaces and the hall. These spaces will be kept safe, clean and ready for pupils to use them.

They will be arranged to promote learning through:

- › Clearly labelled, comfortable and attractive zones such as reading corners and quiet areas
- › Displays of material pupils have previously learned about and can identify
- › Accessible resources for learning such as books, worksheets and other equipment
- › A seating layout that allows everyone to see the board and participate
- › Displays that celebrate and support pupils' learning

6. Differentiation

Teaching and learning at our school will take the backgrounds, needs and abilities of all pupils into account. We will differentiate learning to cater to the needs of all of our pupils, including:

- › Pupils with special educational needs and disabilities (SEND)
 - › Pupils with English as an additional language (EAL)
 - › Disadvantaged pupils
 - › Pupils that are most able
- We will do this by:
- › Using support staff effectively to provide extra support
 - › Working with our SEN co-ordinator (SENDCO), our pupils with SEND, and their parents to establish the appropriate level of material to support these pupils to make good progress
 - › Using ability groupings for certain subjects where appropriate

All home learning will be made available on Class DOJO.

Home learning will be reasonable in challenge and length, and its purpose will be clearly outlined alongside each task.

Any necessary equipment or resources will be provided, loaned or made accessible.

8. Marking and feedback

Feedback will clearly explain to pupils what they're doing well and what they need to do next to continue to improve their work.

It will be given during every lesson or at the start of the next lesson of the same subject.

Please see our marking policy for more information

9. Assessment, recording and reporting

We will track pupils' progress using a combination of formative and summative assessment through ongoing formative assessment, and formal summative assessment at the end of each term.

We will provide regular targets for pupils, and provide termly verbal reports against these at parents' evenings. Pupils will receive a written report annually.
